

**March Newsletter 2012**

**From The Office:**

It is with great sadness that I have to inform you that Tracey Robbins, our qualified Kindy room educator has resigned.

Tracey's last day will be Friday March 16<sup>th</sup> and we hope all parents and children will stop by to farewell her.

It will be very sad to say goodbye to Tracey, but we wish her well with her move and for the future.

Tracey has put many years of hard work and dedication into this centre and has educated many children and their siblings. Her knowledge and wisdom will be greatly missed by all.

Tracey's position will be filled over the next 2 weeks and once a decision is made we will inform all families.

**This Month's Policy Review**

This month's policy to review is Health. Please take a copy from the information board in the foyer and give any feedback to staff.

**Some Friendly Reminders**

Please remember to keep your children's immunisations up to date ☺

Once they have received any immunisation's please bring in their purple book so we can photocopy their updated immunisation card.

## Babies News

Wow, how this year is flying by and how your babies are all growing!

Have you noticed the carpet in the babies' room? It was professionally cleaned and smells and looks fantastic.

We also changed the furniture around and all of the babies seem to enjoy their new play areas. I welcome any feedback or suggestions on furniture placement.

I have been sending some home stories home. Please let me know if you would like one of these at any time. The more information I receive about your child's playtime/routines, the more personalized their day care experience will be.

Please remember that if the educators in the afternoon are unsure about certain aspects of your child's day, the whiteboard in the babies' room should have all the information you require.

Thank you for allowing me to educate and guide your children.

Love Jo

## Toddler News

We have a few new faces in the room - Welcome to them!

A few of our friends are having birthdays soon and will be moving to the Kindy room.

Some of our friends are toilet training- We have been reading books about toileting and talking about it too.

We have been busy making a 'garden' theme on the wall with a tree, flowers, bees, ladybugs, snakes and mushrooms. In March we will be doing an Easter theme.

If any parents have milk cartons at home that they would like to donate (rinsed please) we will be using them to make Easter baskets.

Linda

## Kindy News

It is with great sadness that I inform you of my intended leave. I am moving to Mandurah in March and my last day will be Friday 16<sup>th</sup>.

I have loved working in this centre for the last 5 years and have seen many changes. It is a great centre and I will be sad to say goodbye. I will miss every single person: children, parents and staff.

I want to say a big thank you to your children for all the memories. I will treasure them for ever.

Love and friendship,  
Tracey

## KINDY REPORT

In the Kindy room we have been exploring how to grow seeds. We planted our vegie garden and we're looking at bugs.

We planted our vegie garden. We have tomatoes, capsicum, carrots and strawberries.

## Events in March

### Special Guest

This month we would like to have a fire fighter visit to talk to the children so if you know someone who fits that description that would visit the children please see Nicole.

### Dress-Up Fun: Wacky Hair Day

On Wednesday 14<sup>th</sup> March we will be having a 'wacky hair' day and would like the children to come to day care with wacky hair.

### Cultural Celebrations: Ireland

This month the children will be participating in activities that will help them to learn more about Ireland. We will be celebrating St Patricks Day on Monday 19<sup>th</sup> March with a 'green' dress-up day, green cooking and a green science activity.
